Android PID - Podio

This document contains detailed information for the PID (Project Initiation Document) to capture basic information needed to correctly define and plan the project.

1.01 // App Version no. (for Google Play)

The version number of the app you are adding. Numbering should follow software versioning conventions.

If a specific version number is preferred, please add the app version number.

1.02 // App Name (Google play)

The name are displayed in Google Play Store

1.03 // App Name (Device home screen)

The name are displayed on your device home screen

1.04 // Language

Please select default main language for you app.

1.05 // Categories in App Store (Max 2, 1 required)

Please select categorie(s) for your app.

In the Google Play Store, users can search for apps in specific category areas.

1.06 // Teaser text for Google Play (max 80 characters) (optional)

Please insert a teaser text for what your readers can expect in the app.

1.07 // Description text for Google Play

A description of your app, detailing features functionality, terms of use, privacy policy etc.

1.08 // Support Info for Google Play (website + e-mail + phone number)

Please provide Google with contact information for the account holder.

1.09 // Privacy Policy URL for Google Play and app

A URL that links to your privacy policy. A privacy policy is required for all apps regards to the GDPR.

2.01 // Single copy - Price Tier

A product that is used once, after which it becomes depleted and must be purchased again.

Please select a price tier for the single copy in the column in the PID.

2.02 // Subscription duration

Auto-renewable subscriptions allow the user to purchase updating and dynamic content for a set duration of time. Subscriptions renew automatically unless the user opts out. Please select duration for your subscription.

2.03 // Subscription Price

The price determines the App Store price and your proceeds. To sell your in-app purchase, you must have a Paid Applications agreement.

3.01 // Publication frequency

How often will publications be published in the app.

3.02 // Text for info screen (in-app)

The info screen is information about your organization (intended for youreaders/customers)
